DETAILED ACTION

Reasons for Allowance

Claims 5-17 and 23 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding claim 5, the closest prior art of record, Rezzi et al (Fig. 3) does not disclose the following limitations: the third current is obtained by subtracting a sum current from the first current and the fourth current being obtained by subtracting the sum current from the second current. Regarding claim 16, the closest prior art of record, Rezzi et al (Fig. 3) does not disclose the following limitations: the second input terminals and second output terminals of the converters are connected in common, and a differential output signal is output from the first output terminals of the converters.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Henry Choe whose telephone number is (571) 272-1760.
